Welcome to Whatnot! Please review these Terms of Service (the "Terms"), the [Whatnot Community Guidelines](#), the [Buyer Protection Policy](#) and all other policies and rules published by Whatnot including all of those in our Help Center located at <https://help.whatnot.com> (together with the Community Guidelines, "Our Policies"), because they govern your use of the website located at <https://www.whatnot.com/> (the "Site") and the platform accessible via the Site and corresponding mobile application offered by Whatnot Europe Ltd. ("Whatnot", "our", "we", or "us"). To make these Terms easier to read, the Site, our platform and corresponding mobile application are collectively called the "App."

These Terms make up a legally binding agreement between you and Whatnot Europe Limited, a company registered in the Republic of Ireland under company number 723475. These Terms apply to you if you live or are established in the UK or European Economic Area and you use Whatnot. If you live or are established outside of these areas, the Terms of Service for Non-European Users will apply.

Before agreeing to these Terms and Our Policies, please also review our [Privacy Policy](https://www.whatnot.com/privacy) which (though not forming part of the agreement between you and Whatnot) contains important details describing what information we collect from you, how we collect information from you, and how we use and share information we collect from you. For more details, please visit: <https://www.whatnot.com/privacy>.

1. About the App

- a. The App is an online marketplace that connects users of the App ("Users"). If you offer for sale, any goods or products (each, an "Item"), collect tips from Buyers, or otherwise monetise your content through the App, you are a "Seller". If you purchase Items or initiate any payment to a Seller (including tipping a Seller) through the App, you are a "Buyer". Transactions between a Seller and Buyer through the App (including tipping) are each referred to as a "Transaction". WHATNOT OFFERS A PLATFORM THAT FACILITATES TRANSACTIONS BETWEEN BUYERS AND SELLERS ON THE APP BUT WHATNOT IS NOT A PARTY TO ANY AGREEMENT BETWEEN BUYERS AND SELLERS OF SUCH TRANSACTIONS.
- b. Unless these Terms say otherwise, Whatnot does not sell, purchase any goods or products itself, take title or possession of the goods, either for itself or on behalf of Users or others. While Whatnot may help facilitate Transactions, Sellers and Buyers are solely and entirely responsible for the Transaction, including the listing of Items and any applicable product warranties.
- c. Whatnot provides payment processing services using third party service providers ("Payment Processors") for transactions made through the App. Buyers and Sellers will be subject to and must comply with such Payment Processor's separate terms and conditions.
- d. Because our App is evolving over time, we may change or discontinue all or any part of the App, at any time and without notice, at our sole discretion for example to improve performance, enhance functionality, reflect changes to the operating system or address security issue. If you have downloaded and installed the App and/or created an Account, Whatnot will inform you of any material changes or updates and will give you the option to install any updates of the App. Users may alternatively decide to activate automatic updates on their devices. If you choose not to

install such updates or if you opt out of automatic updates you may not be able to continue using the App.

- e. The App no longer supports the purchasing, selling, or trading of non-fungible tokens (“NFTs”). Users that still have NFTs accessible on the App should contact us using our help page to transfer such NFTs from the App to any external wallet address that you provide. Without limiting any other terms of these Terms, Whatnot assumes no responsibility for a User providing an incorrect wallet address and Whatnot’s subsequent delivery of the NFT to such incorrect wallet address.

2. Agreement to Terms

By using the App (including the functionality which facilitates Transactions), you accept and agree to be bound and abide by these Terms, our Community Guidelines, and Our Policies, each of which are also part of these Terms and the agreement between you and us. We may ask you to re-confirm your acceptance of these Terms by checking a corresponding box or click "accept" or "agree" prior to making any Transactions. If you do not agree to these Terms, our Community Guidelines, or Our Policies at any time you are not allowed to, and you must not, access or use the App. If you are accessing and using the App on behalf of a company (such as your employer) or other legal entity, you confirm that you have the authority to bind that entity to these Terms. In that case, "you" and "your" will refer to that entity. We may update these Terms from time to time at our option and where we do so, any further use of the App will be governed by the revised terms from the date of the update. If we do, we'll let you know by posting the updated Terms on the App and/or may also send other communications. It's important that you review these Terms whenever we update it, or you use the App. If you continue to use the App after we have posted the updated Terms, it means that you accept and agree to the changes. If you don't agree to be bound by the changes, you may not use the App anymore. With respect to Users who are professional Sellers, Whatnot may amend or add to these Terms by providing no less than fifteen (15) days' notice to Sellers in writing, save that if the amendments or additions require Sellers to make technical or commercial adaptations, Whatnot will provide Sellers with such longer notice period, if necessary, as is reasonable in the circumstances. The requirement for Whatnot to provide advance notice for any amendments or additions to these Terms shall not apply where: (i) Whatnot is subject to a legal or regulatory obligation which requires Whatnot to change these Terms in a manner which does not allow Whatnot to respect the notice period referred to above; or (ii) Whatnot has exceptionally changed these Terms to

address an unforeseen and imminent security risk related to defending the App, the services available through the App or the users of the App from fraud, malware, spam, data breaches or other cybersecurity risks.

3. Eligibility to Create an Account and/or Use the App.

You must be at least 18 years old in order to create an account on the App (each, an "Account"). By creating an Account, you represent and warrant that you are at least 18 years of age, and meet all of the eligibility requirements of these Terms. If you do not meet these requirements or, if for any reason, you do not agree with all of the terms and provisions of these Terms, you may not create an Account, and must cease or prevent any use of any existing Account(s).

Teens between the ages of 13-17 may use the App only if they are using an Account created by their parent or legal guardian and are doing so with the permission and under the supervision of that parent or legal guardian. Any and all User Information associated with the Account must be that of the parent or legal guardian.

4. Your Account

You acknowledge that your Account and User Information is personal to you and agree not to allow any other person to access the App or any portion of it using your User Information, unless you have provided them with permission to do so. In the event you choose to provide others with permission to access and/or use your Account or User Information, you do so at your own risk. You acknowledge you are the owner and controller of your Account and are responsible, accountable, and liable for all access to and/or use of your Account and User Information, even if such access and/or use was not authorized. In order to access and use certain features of the App, Users must create an Account. It's important that you provide us with accurate, complete and current account information and keep this information up to date. To protect your Account, keep your Account details and password confidential, and notify us right away of any unauthorized use. You're responsible for all activities that occur under your Account. Whatnot will not be liable for any financial loss that you may incur as a result of someone else using your Account or account information, either with or without your knowledge.

When you create an Account on the App, Whatnot may ask your permission to access your phone contacts to determine if you are already connected to Users, so that you can follow such contacts on the App and invite contacts who are not Users to join the App. You are solely responsible for obtaining consent from your contacts. You can always change whether to allow Whatnot to access your contacts through the privacy settings on your mobile device.

5. Your Rights to Use the App

- a. License. Subject to these Terms, we hereby grant you a limited right that is personal to you to download and install the App's mobile application on your computers, mobile handsets, tablets, wearable devices, and/or other devices and to run the App solely as intended for your personal and/or business purposes. You may not share this right with anyone else, and we are entitled to grant the same right to other users as well as revoke the right should we choose to.
- b. Livestream Clipping. When you create a clip from your use of the livestream clipping feature on the App (each clip, a "Clip"), Whatnot grants to you a right to copy, download, and display the Clip solely for your personal and non-commercial use, provided that you do not modify the Clip beyond what is permitted on the App and that you retain all copyright and other proprietary notices contained in the Clip, if applicable. Such uses may include, for example, sharing the Clip to your personal social media channels, creating a virtual shopping list of Items for yourself on the App, or tracking prices of certain Items available on the App. You may not, however, distribute, copy, reproduce, display, republish, download, or transmit the Clip or any portion of the Clip for public or commercial or business use, including using the Clip in any ad-supported blogs or websites, or as part of a paid content offering, paid mailing list or paid newsletter.
- c. Additional Information: Apple App Store. This Section 5(c) applies to any App that you acquire from the Apple App Store or use on an iOS device. Apple has no obligation to furnish any maintenance and support services with respect to the App. In the event of any failure of the App to conform to any applicable warranty, you may notify Apple, and Apple will refund the App purchase price to you (if applicable) and, to the maximum extent

permitted by applicable law, Apple will have no other warranty obligation whatsoever with respect to the App. Apple is not responsible for addressing any claims by you or any third party relating to the App or your possession and use of it, including, but not limited to: (i) product liability claims; (ii) any claim that the App fails to conform to any applicable legal or regulatory requirement; and (iii) claims arising under consumer protection or similar legislation. Apple is not responsible for the investigation, defense, settlement and discharge of any third-party claim that your possession and use of the App infringe that third party's intellectual property rights. Apple and its subsidiaries are third-party beneficiaries of these Terms, and upon your acceptance of the Terms, Apple will have the right (and will be deemed to have accepted the right) to enforce these Terms against you as a third-party beneficiary thereof. You represent and warrant that (i) you are not located in a country that is subject to a U.S. Government embargo, or that has been designated by the U.S. Government as a terrorist-supporting country; and (ii) you are not listed on any U.S. Government list of prohibited or restricted parties. You must also comply with any applicable third-party terms of service when using the App.

6. Payment and Tax Terms

- a. **Payment Method.** You must provide a current Payment Method prior to making any Transactions on the App. "Payment Method(s)" include(s) credit card, debit card, or another payment method permitted by us. We may ask you to supply additional information relevant to your Payment Method, including your credit card number, the expiration date of your credit card and your email and postal addresses for billing and notification (such information, "Payment Information"). You confirm that you have the legal right to use all Payment Method(s) represented by any such Payment Information. You are solely responsible for maintaining and keeping your Payment Method(s) current. Whatnot will not compensate or reimburse you for any charges incurred by you as a result of authorised attempts to charge, and/or place holds on, your Payment Method, including charges incurred due to insufficient funds.
- b. **Authorisation.** When you initiate a Transaction on the App, you authorise us to provide your Payment Information to our Payment Processors so we can complete your Transaction and to charge or payout your Payment Method

for the type of Transaction you have selected (plus any applicable taxes and other charges). You may need to provide additional information to verify your identity before completing your Transaction (such information is included within the definition of Payment Information). By initiating a Transaction, you agree to the pricing, payment and billing policies applicable to such fees and charges, as posted or otherwise communicated to you.

- c. **Failed Payments.** If your Payment Method on file is declined or otherwise rejected for any authorised fee or charge, you shall have seven (7) days to provide updated information and payment. Failure to make a valid payment within the seven (7)-day grace period may, at Whatnot's sole discretion, result in deactivation of your Account without a refund. If you wish to reactivate your Account after deactivation from failure to pay a fee, you will be required to ensure there are no debts owed to another User or to Whatnot before your Account can be reactivated.
- d. **Taxes (Generally).** Unless otherwise specified by Regulations, you are solely responsible for all costs incurred by you in using the App (including in relation to a Transaction) and for determining, fulfilling and complying with your obligations under Regulations to register, manage, collect, report and pay all applicable Taxes, as well as any applicable related penalties, fines, charges or late payment interest. "Tax(es)" in these Terms means the taxes, duties, levies, tariffs, and other governmental charges that you may be required by Regulations to pay, collect and/or remit to governmental agencies or bodies, and other similar municipal, provincial or state, federal and national bodies, including but not limited to VAT or other sales taxes, indirect or other withholding and personal or corporate income taxes. We recommend that you seek professional advice about your tax obligations in connection with your use of the App.

You are solely responsible for maintaining all relevant Tax records and complying with any reporting requirements you may have as related to our App and the sale of Items or NFTs on the App, as applicable. You are further solely responsible for independently maintaining the accuracy of any record submitted to any tax authority including any information derived from the App. We reserve the right to report any activity occurring using the App to relevant

tax authorities and we may be required under Regulations to share information about you with certain tax authorities from time to time.

To the maximum extent permitted by Regulations, you shall at all times defend, indemnify and hold Whatnot harmless from, and against, all causes of action, claims, demands, judgments, liabilities, investigations, losses, damages, awards, penalties, fines, costs and expenses (including, but not limited to, reasonable legal fees) of any nature or kind, arising for Whatnot or any of its shareholders, members, partners, agents, and joint venturers or any Whatnot Representative under or resulting from your: (i) breach of this Section or your obligations under Regulations in respect of Taxes; and/or (ii) failure to provide Whatnot with accurate information in respect of Taxes.

7. Seller VAT registration requirements. EU-based Sellers must be VAT registered in the EU to sell on Whatnot. UK-based sellers do not need to be VAT registered to sell on Whatnot. Please seek professional advice about your tax obligations and reporting requirements, and for EU-based Sellers, your VAT registration and reporting requirements in the EU. Whatnot assumes no responsibility for monitoring when a Seller exceeds a VAT registration threshold in any country.
8. Domestic VAT. If you are a Seller, you are solely responsible for monitoring your tax position and understanding domestic reporting and remittance requirements.
9. Import VAT. Prices for domestic purchases are VAT inclusive in the EU and the UK. For purchases from international sellers less than €150 in the EU or £135 in the UK, Whatnot will collect Import VAT at the time of checkout on a VAT exclusive basis. For goods over €150 or £135, buyers are responsible for paying import VAT and customs duties when the goods are imported.
10. Import Duties. All purchase prices are exclusive of Import Duties at the time of sale. The amount of customs duty will be assessed at the point of entry of the destination country. This may result in the buyer having to pay additional charges which are not included in the total price displayed at checkout. Customs duty only applies to shipments where the value exceeds €150 into the EU and £135 into the UK.

11. Shipping and Delivery

- a. **Shipping.** The App offers various shipping options for Users. Sellers may elect to cover all or some shipping fees and expenses or require applicable Buyers to pay shipping fees and expenses. Whatnot may cover shipping fees or expenses in some instances. Visit the [Whatnot FAQs](#) for more information about shipping options, and fees and expenses.
- b. **Third-party Shipping Terms.** Sellers shipping with UPS must accept and comply with the UPS Tariff/Terms and Conditions of Service and the UPS Technology Agreement and End User Rights in effect at the time of shipping with UPS and will not attempt to ship any items prohibited by UPS, or any UPS-regulated items, without an express written contract with UPS (click to view List of Prohibited Articles for Shipping). Additionally, Sellers shipping to Buyers in Canada, or Sellers based in Canada must accept and comply with the Canada Post Website Terms of Use, available here: <https://www.canadapost-postescanada.ca/cpc/en/support/kb/general-inquiries/general-information/legal-terms-of-use-and-conditions> when shipping with Canada Post. Separate third-party terms and conditions of use may apply if Sellers use other shipping carriers permitted by the App.
- c. **Free Pickup Services.** As part of the Free Pickup Services, Sellers selling Items on the App may offer, and Buyers may elect to, pick up Items purchased through the App at a physical location. The pickup option will be available to Buyers who are local to the Seller based on the Buyer's location in relation to such physical pickup locations. Once Buyer has purchased the Item and selected the Free Pickup Services option, instructions on the coordination of the pickup, including the pickup address, specified window(s) of time to pick up the purchased Item(s), contact information, and other pickup notes and information may be made available in the order confirmation email sent to Buyer and the order details page in the App. You confirm that any meeting that you have with a Buyer or Seller will only be for the purpose of handing over and picking up the purchased Item from a Transaction on the App. Once the Buyer picks up the purchased Item, we may require either Buyer or Seller or both Buyer and Seller to verify that such purchased Item has been picked up. Buyers will have a seven (7) days from the date the purchased Item is made available to pick up the Item from Seller. If the seven (7)-day period has

lapsed and Buyer has not picked up the purchased Item, the order will be marked as completed and the funds will be transferred to the Seller. The Buyer's and Seller's statutory rights remain unaffected.

- d. Free Pickup Services Payment Terms. The following terms apply to Transactions where the Buyer has elected to use Free Pickup Services, and apply even if there is a conflicting clause anywhere else in these Terms:
 - 1. Payment Terms for Buyers. If you are a Buyer of a purchased Item and opt into the Free Pickup Services, then you will be charged for the cost of the purchased Item and any applicable Taxes at the time of the purchase. You will not be charged for shipping for Items purchased with Free Pickup Services.
 - 2. Payment Terms for Sellers. If you are a Seller of a purchased Item to a Buyer who uses the Free Pickup Services, payment for the purchased Item, less any applicable fees payable by Seller to Whatnot pursuant to the Fee Schedule, will be released to you at the earliest of 1) when you confirm through the Whatnot app that the Buyer has picked up the order, or 2) when the seven (7)-day time period for pickup by the Buyer in accordance with para. (c) above has lapsed. After that point, the applicable purchase price, less any applicable fees payable by the Seller to Whatnot pursuant to the Fee Schedule, will be transferred to the Seller via the Payment Processor.
- e. Bring Your Own Label ("BYOL") and Bring Your Own Account ("BYOA"). The following terms apply vis-à-vis Sellers in Transactions where the Seller has elected to use either the BYOL or BYOA program. Visit the Whatnot BYOL and BYOA [FAQs](#) for more information:
 - 1. By electing to use the BYOL or BYOA program, the Seller purchases its own shipping services from a third-party shipping service provider in order to ship its product(s) to the Buyer. Whatnot then purchases these shipping services from the Seller and subsequently resells them to the Buyer.
 - 2. Whatnot pays predetermined standard shipping fees for the purchase of shipping services from the Seller, and may change from time to time subject to prior notification.

If the shipping fees due by the Seller to the designated third-party BYOL and BYOA shipping service providers are higher than the Whatnot predetermined standard shipping fees, Whatnot will not compensate the Seller for the difference.

3. If the shipping fees due by the Seller to the third-party shipping service provider are lower than the Whatnot predetermined shipping fees, Whatnot will not charge the Seller for the difference.
4. By electing to use the BYOL or BYOA program, the Seller agrees that Whatnot will issue self-issued invoices for the purchase of shipping services from the Seller. This means that Whatnot will issue invoices to itself in the name and on behalf of the Seller, for the purchase of such shipping services. The Seller agrees to not issue invoices to Whatnot for the sale of shipping services itself. In accordance with applicable VAT legislation, the Seller agrees to be responsible for the correctness and timely issuance of the invoices issued by Whatnot on Seller's behalf. Seller will immediately notify Whatnot in case of changes to any information that is relevant for the self-issued invoices, such as (but not limited to) Seller's address and/or VAT identification number. Whatnot will establish a procedure for the acceptance of each invoice by the Seller, in accordance with applicable VAT legislation. Seller will, after receipt of the self-issued invoice, immediately notify Whatnot if the Seller does not agree with the content of an invoice issued by Whatnot on behalf of the Seller. In such case, Seller will clearly motivate which elements of the self-issued invoice the Seller does not agree with. If the Seller does not notify Whatnot that Seller does not agree with the content of a self-issued invoice within two weeks after receipt of this invoice, Seller will be considered to have agreed to the content of that self-issued invoice. Seller will not hold Whatnot responsible for any damages and/or penalties in case Whatnot does not issue a self-invoice within the time limits stipulated by applicable VAT legislation.

12. Transactions

- a. Auctions. Seller's may host live auctions. The rules for how bids are accepted, bid increments, bid retraction and cancellation, the conditions the Buyer must meet to purchase an item, as well as the specific conditions of sale may change for each auction at the sole discretion of the Seller subject to these Terms. Seller acts as an auctioneer and makes the sole, final determination concerning bidding on the Item, the sale of the Item, and the resolution of any disputes; provided that Whatnot reserves the right to cancel a Transaction if it determines in its reasonable opinion that a Buyer's bid was made in error. If you are a professional Seller (i.e., a trader acting in exercise of your trade, business or profession) engaging in Transactions with consumers, you are solely responsible for complying with applicable consumer protection law, including mandatory consumer protection law at the place of residence of the consumer. In the event that consumers act as Sellers, the mandatory statutory provisions relating to consumer protection will not apply. Whatnot will indicate via the App if Sellers are consumers or professional Sellers according to their self-declarations.
- b. Buyer Protection Policy. The Whatnot Buyer Protection Policy can be found [here](#). If you experience a problem with your purchase or Item, and you cannot find the answer on [Whatnot FAQs](#), please contact us using our [help page](#). Consumers living in the European Economic Area or the UK may have a statutory right of withdrawal if they bought certain products from professional Sellers. Please read the Buyer Protection Policy for more information.
- c. Verification Opt-In. If available for a given Transaction, a Buyer may opt into a verification process whereby Whatnot verifies the Item purchased by the Buyer (a "Verification Opt-In"). Upon the occurrence of a Transaction whereby the Buyer has selected the Verification Opt-In, Seller will ship the Item to Whatnot. Whatnot then conducts a verification process to authenticate the Item and confirm the accuracy of the Item's description, including its condition ("Item Verification"). Where Whatnot conducts an Item Verification, unless prohibited by applicable law or as otherwise set out in these Terms or our High Value Loss Reimbursement Policy, Whatnot is not responsible to you for any financial loss or damage incurred from any Item Verification, . If an Item does not pass the Item Verification, Whatnot shall notify the Buyer and the Seller of Whatnot's conclusion, which results

in an automatic cancellation of the Transaction and a refund to the Buyer's Payment Method. In the event that an Item does pass Item Verification, Whatnot will ship the Item to the Buyer, and will provide shipping notice and tracking information. If you have any questions regarding Whatnot's Item Verification process or its condition evaluation process, visit the Whatnot FAQs.

- d. **Grading Opt-In.** If available for a given Transaction, a Buyer may opt into a grading service offered by Whatnot's third-party service provider, Professional Sports Authenticators ("PSA") to grade the Item purchased by the Buyer (a "Grading Opt-In"). During a Transaction whereby the Buyer has selected the Grading Opt-In, Seller will ship the Item to PSA. PSA will then assess the authenticity, quality, and condition of an Item. Once PSA completes its assessment, PSA will provide the Buyer with the results of such assessment and will ship the Item to the Buyer. By participating in the Grading Opt-In, a Buyer accepts and agree to be bound and abide by the PSA Grading Terms and Conditions and the Collectors User Agreement, which will apply unless these terms specifically say otherwise. Under all circumstances, except where prohibited by applicable law or as otherwise set out in our High Value Loss Reimbursement Policy, Whatnot shall not be liable in any way for PSA's services or responsible for any User's damage, direct or indirect loss, costs or expenses arising from or related to any Grading Opt-In, regardless of whether or not such damage, loss, costs or expenses arise from the negligence of Whatnot. Except as set out in our High Value Loss Reimbursement Policy, or as otherwise stated in these Terms, Whatnot shall not be responsible for any Item that is damaged or lost during shipping. If you have any questions regarding PSA, visit the Whatnot FAQs.
- e. **Historical Data.** Whatnot may provide historical Whatnot sales data and estimated values for Items. Whatnot is under no obligation to provide such data, but may choose to do so for the benefit of its Users. Whatnot's historical sales data and estimated values in no way suggest or guarantee that Items will sell for an amount that is close to or that exceeds the amount of any past Transaction or for estimated value.
- f. **Listing Placement and Rankings.** The placement and ranking of listings by Sellers on the App is determined by the following factors: (i) the product

category of the Item Sellers are offering for sale; (ii) relevance of Seller's listing to search terms entered on the App; (iii) the date on which Seller's Listing was added; and (iv) the price of the Item Seller is offering for sale. Whatnot may restrict or suspend a listing from the App if Whatnot reasonably believes it does not comply with these Terms. If Seller is a professional Seller, Whatnot shall try to provide that Seller with a written statement of reasons for Whatnot's decision. Whatnot does not review any listing prior to it being uploaded and is not obliged to once it is live on the App, but Whatnot reserves the right to take down and/or restrict access to any listing that Whatnot reasonably believes does not comply with these Terms.

13. Seller Terms

- a. Application. If a User wishes to sell Items on the App as a Seller, the User must apply to be a Seller by following the instructions posted on the App, including providing certain information requested on the App. All Sellers must provide the following information: (i) first and last name, (ii) email address, (iii) physical address, (iv) phone number, and (v) a social media account . All Users may provide additional information as requested in your Profile and Account (the foregoing will also be considered "User Information"). All the information you provide must be current, complete, accurate, and not false or misleading in order to use the App. Whatnot will approve or reject a User's application to sell Items on the App in its sole discretion.
- b. Fees. Sellers are required to pay Whatnot processing fees and other charges for each Transaction. The amount of such fees and charges is outlined on our FAQs, which may be updated or amended from time to time (the "Fee Schedule"). Upon a Transaction you authorise Whatnot and/or its Payment Processors to automatically bill your Payment Method in accordance with the Fee Schedule. In the event that a Transaction is cancelled (including in the event that the Buyer makes use of its statutory right of withdrawal, if applicable), the fees and charges for the Transaction will be refunded to the Sellers.
- c. Getting Paid. Where possible, Whatnot and/or its Payment Processors will issue payment to Seller to Seller's Payment Method within ten (10) days of

the date of evidence of Buyer's receipt of the applicable Item(s). It is Seller's responsibility to ensure that all Payment Information provided is accurate for a proper transfer to Seller's selected Payment Method. Whatnot may be unable to recover money transferred to an improper account based on the Payment Information by Sellers. If the applicable Buyer disputes the applicable Transaction for any reason, Whatnot may choose to take corrective action including the following: delay the distribution of payment, request the Item be sent to Whatnot, request the Item be returned to the Seller, or issue a refund to the Buyer.

- d. **Fulfillment.** When a Transaction occurs, the applicable Seller must (i) ship the applicable Item in accordance with Whatnot's shipping policy, which is subject to change, and is available at all times on the Whatnot FAQs or (ii) deliver the Item through Local Pickup Services, in each case, to the applicable Buyer (or to Whatnot in the event the applicable Buyer opts for Item Verification). Whatnot provides a pre-paid shipping label (directly or indirectly through its third-party service providers) that Sellers may use to ship an Item. Should, for any reason, the cost to ship an Item exceed the pre-paid label price, Seller shall be responsible for any additional payment necessary to ship the Item.
- e. **Item Descriptions.** Sellers are responsible for the accuracy of an Item's description. Sellers are required to ensure that the Item matches exactly the image that is displayed on the App, and that the described condition of the Item is a true and accurate. Any inaccuracy, whether it be the description, condition or authenticity of an Item, may, result in a Buyer making a claim for compensation from a Seller. Seller is responsible for any fees associated with any return or disposal of the Item(s). Whatnot may, in its reasonable discretion, turn any suspected counterfeit, unauthentic, stolen, unauthorised, b-grade, or similar Items over to the proper authorities, and Seller is responsible for any fees associated with this action.
- f. **No Circumvention.** Sellers are entitled to receive payments from Buyers for Transaction only in the manner determined by Whatnot through the App. This includes using the Payment Processor Whatnot chooses, and following any other rules Whatnot specifies. Sellers may not circumvent their payment obligations to Whatnot for Transactions by soliciting payment

from a Buyer outside of our App. Sellers shall notify Whatnot immediately if they receive any such offer or solicitation to circumvent their payment processing obligations by contacting Whatnot at the Whatnot help page.

g. Appointment of Whatnot as Limited Collection Agent for Sellers

1. Each Seller hereby appoints Whatnot as its payment collection agent for the limited purpose of receiving, holding, and settling payments from Buyers. Seller further agrees and understands that any such payment received by Whatnot from a Buyer, on Seller's behalf, shall be considered the same as payment made directly to Seller. Such payment shall be deemed to satisfy the Buyer's obligation to pay Seller, and Seller will provide its services to the Buyer in the agreed-upon manner as if the Seller had received the payment directly from the Buyer. Seller understands that Whatnot's obligation to pay the Seller is subject to, and conditional upon, successful receipt of the associated payments from the Buyer. Seller further agrees that Whatnot is not required to settle such payment to Seller in the event that Buyer initiates a chargeback, ACH return, or otherwise disputes the payment. In the event that Whatnot does not make a payment to Seller as required by this Agreement, Seller will have recourse against only Whatnot and not against Buyer. In accepting appointment as the limited payment collection agent of the Seller, Whatnot assumes no liability for any acts or omissions of the Seller. This limited agency shall apply only with respect to a Seller who is a United States person as defined in section 7701(a)(30) of the United States Internal Revenue Code of 1986, as amended.
2. Buyer acknowledges that, notwithstanding the fact that Whatnot is not a party to the agreement between Buyer and Sellers, Whatnot acts as the Seller's payment collection agent for the limited purpose of accepting payments from you on behalf of the Seller. Upon making a payment to Whatnot, Buyer's payment obligation to the Seller for such payment amount is extinguished, and Whatnot is responsible for remitting the payment to the Seller. In the event that Whatnot does not remit

such payment to the Seller, the Seller will have recourse only against Whatnot and not Buyer

14. Refunds and Returns. Whatnot may, in its discretion, allow and/or require Sellers to directly handle refund and return requests from Buyers through the functionality of the App. In such cases, Seller will bear the financial costs and responsibilities of issuing refunds to Buyers, and Whatnot is not responsible or liable to the applicable Buyers or any third party for any such refunds. When directly handling refund and return requests from Buyers through the functionality of the App, Seller shall at all times comply with the Return Policy, and will not conduct any activities in connection with handling returns and refunds that are fraudulent, false, misleading, abusive, or deceptive. For clarity, (i) Whatnot is not responsible for, and has no duty to monitor, the actions and inactions of Sellers when Sellers are handling returns and refunds; and (ii) Whatnot may at any time and in its discretion terminate or suspend Seller's direct access to Buyers in connection with handling Buyers' refund and return requests, including without limitation, at the request of the Buyers.
15. Consequences of not complying with these Terms. Whatnot may, take action against Sellers who, do not comply with these Terms, including but not limited to:

can still enforce it later. If we do not insist immediately that you do anything you are required to do under these Terms, or if we delay in taking steps against you in respect of your breaking this agreement, that will not mean that you do not have to do those things and it will not prevent us taking steps against you at a later date.

- Events outside our control. If our provision of or support for the App or the Services is delayed by an event outside our control then we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay. Provided we do this we will not be liable for delays caused by the event.

We may also use your email address, to send you other messages, consistent with your communication preferences and as described in more detail in our Privacy Policy located at www.whatnot.com/privacy. You may opt out of such email by changing your Account settings or sending notice of opt out to privacy@whatnot.com.

APPENDIX: SUPPLEMENTARY TERMS FOR APPLICABLE EU USERS

If you are a consumer User in the EU and we direct the App to you (and/or pursue our commercial or professional activities in relation to the App) in the country in which you habitually reside in the EU, the Terms shall apply to you with the exception of the following deviations and supplementary terms as applicable to your country of residence. If there is an inconsistency or conflict between the Terms

and these Supplementary Terms, these Supplementary Terms shall prevail.

1. Liability

In respect of Section 18 and Section 19 of the Terms:

Users in Germany

If you are a User residing in Germany, Section 18 and Section 19 of the Terms shall not apply to you and instead the following terms shall apply:

“Unless otherwise stated in these Terms, we shall be liable for a breach of contractual and non-contractual obligations in accordance with the statutory provisions. We shall be liable for damages - irrespective of the legal grounds - within the framework of fault-based liability in the event of intent and gross negligence.

In the event of simple or slight negligence, we shall be liable, subject to statutory limitations of liability (e.g., due care in own affairs; insignificant breach of duty) only: (a) for damages arising from injury to life, body, or health (i.e., death or personal injury); and (b) for damages arising from the breach of a material contractual obligation (obligation, the fulfilment of which is a prerequisite for the proper performance of the contract and on the observance of which the contractual partner regularly relies and may rely); in this case, however our liability shall be limited to compensation for the foreseeable, typically occurring damage.

These limitations do not apply in case of fraud, fraudulent misrepresentation, if we have fraudulently concealed a defect, have given a guarantee of quality, or have assumed a procurement risk. Furthermore, any mandatory statutory liability, in particular under the German Product Liability Act, shall remain unaffected.

The limitations of liability resulting from this Section shall also apply to our executive bodies, legal representatives, employees, staff and vicarious agents and/or other persons for whose fault we are responsible in accordance with statutory provisions.

Subject to the above, we assume no liability for any damages or losses caused by any unforeseeable, unavoidable and uncaused events beyond our reasonable control.

All other liability on our part is excluded.”
