Small Seller Saturday Gift Card Giveaway Terms

These terms apply when you enter or win a Small Seller Saturday giveaway of Whatnot gift cards ("Promo Gift Cards") hosted by an eligible participating seller. The Small Seller Saturday giveaways are also subject to the Whatnot Terms of Service, Giveaway Rules & Requirements, and Gift Card Giveaway Policies (collectively, the "Whatnot Policies"), but these terms control in the event they conflict.

Each giveaway is its own giveaway, offered and run by the seller hosting it. Giveaways are not part of a single promotion, prize pool, or drawing and are not combined or aggregated for any purpose. Each seller is solely responsible for its giveaway, and Whatnot is not responsible for any seller's acts, omissions, or statements. Whatnot may change, pause, or end any giveaway if fraud, technical problems, or anything else outside its control affects it, or if the law requires.

How to Enter

To enter, visit an eligible seller's live show held between 9:00 PM Pacific Time on November 27, 2026 and 11:59 PM Pacific Time on November 28, 2026, and enter through Whatnot's in-app giveaway feature. Giveaways are free to enter, a purchase won't improve your chances and odds depend on the number of entries.

Who Can Enter

You need a Whatnot account in good standing and must be in the same country as the seller (the United States or Canada). Whatnot employees and contractors, the hosting seller and its affiliated accounts and employees, and their immediate family and household members can't win.

Gift Cards

Whatnot will provide up to $1,000,000 in total value of Promo Gift Cards to eligible sellers across all giveaways. Whatnot determines, in its sole discretion, the number and denomination of Promo Gift Cards distributed to each eligible participating seller, which may vary, and the value will be shown in the giveaway before you enter. Promo Gift Cards are issued in the winner's local currency. They can be used only toward eligible purchases on Whatnot, cannot be redeemed for cash except where required by law, and cannot be transferred, sold, or substituted.

Whatnot may disqualify anyone and withhold or take back any gift card if it believes an entry is fraudulent or breaks these terms or Whatnot's policies, such as using multiple accounts, arranging a win with the seller, or agreeing to return or share a Promo Gift Card. Whatnot may also take action under the Whatnot Policies, including account suspension.
